

March 2024

BELONGING PEOPLE

Celebration at Darwin Baptist Church - Pages 4&5

Katherine Christian Convention 2024

FRIDAY + SATURDAY + SUNDAY

MAY 3-5

For evening sessions, we would like people to share about the **Theme**, whether that be singing, dance, item, drama or sharing on a bible passage., etc. NOTE: Friday night is Fellowship evening only - no official talk.

Theme: Jesus is the Living Water

Speaker: Ben van Gelderen

Principal - Nungalinga College

Day Sessions: **Saturday 1.30pm + Sunday 9.30am**
Celebration Evenings: **Friday 7pm, Saturday + Sunday 6.30pm**
Canteen open: **Saturday, Sunday + Monday AM (not Friday)**

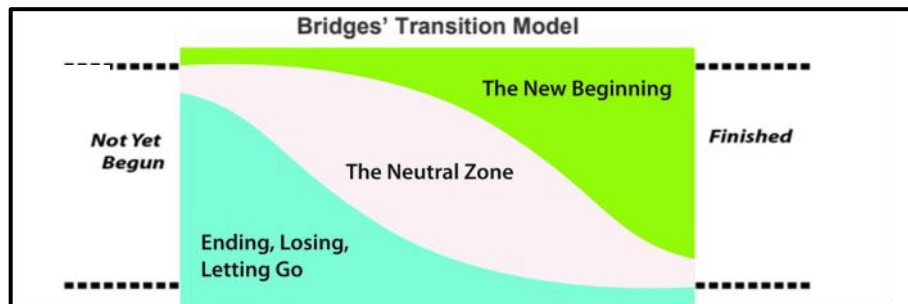

VENUE: KATHERINE SHOWGROUNDS

- ◆ Children and Youth Programs
- ◆ Celebration Evenings
- ◆ Bible and Artworks for Sale
- ◆ Music and Art Workshops

More information available on KCC's website www.kathcc.org

Email: christianconventionkatherine@gmail.com

From 'Transitions' p 3

Transitions

I've been thinking a lot about transitions lately – and there are good reasons for doing so. Some, as indicated elsewhere in this issue of *Belonging People*, are personal. Our church, Darwin Baptist Church, is also in transition with changes to our pastoral and administration teams. Some new staff members have been welcomed and there are the typical movements of people in and out of Darwin for this time of year. A lot of change is taking place.

As a family of churches, we have also experienced significant change. The Baptist Union of the Northern Territory ceases to exist as an entity, amalgamating with South Australia to become part of the newly formed Baptist Churches of SA & NT. We are in transition.

Author William Bridges, in a book titled “Transitions – Making Sense of Life’s Changes”, helps us to understand the process. See the diagram opposite. Transitions begin with an ending and that may be a time of mixed emotions. Then, there may be a period of time where we feel a bit lost – beginning to accommodate changes. Eventually we emerge to a new beginning.

It is important for all of us as believers to recognise that God is present throughout the process. None of our circumstances have taken Him by surprise.

The One who promises “I will never leave you or forsake you” hasn’t suddenly changed His mind. The Good Shepherd still leads in right paths and as needed, gives opportunity to rest in green pastures and enjoy cool refreshing water.

His goodness and mercy continue as gifts to us and yes, ultimately the promise is for us ... we will dwell in the house of the Lord forever. The point is He remains Lord and it doesn’t depend on our circumstances. He is Lord over our transitions. Praise God!

Mal Sercombe
Senior Pastor
Darwin Baptist Church

Thanksgiving, Recognition and Ordination of Mal Sercombe

Mal Sercombe, Senior Pastor at Darwin Baptist Church, for the past 22 years, was recognised, appreciated and thanked for his servant-hearted ministry in a Service of Thanksgiving and Recognition on the afternoon of 26 November 2023. Friends from Darwin Baptist, other churches and from interstate filled the church for a joyful celebration and to share in afternoon tea and fellowship.

Several leaders and members spoke of the impact Mal has had on them personally as Pastor and friend. Pastor Toni Rehrmann said Mal has always modelled 'servant-hearted leadership and has led the church with discretion through times of great challenge'.

Mal's wife, Ellen was recognised and thanked for her faithful support, side by side, with Mal in hospitality and making others feel valued as well as for her roles

on the Welcoming Team and in Marriage Preparation courses.

Mal and Ellen were then joined on stage by their Darwin children and grandchildren. Friends were invited forward to lay hands on Mal and Ellen and pray for them.

As well as pastoring Darwin Baptist Church for several decades, Mal has filled many other roles, serving on the BUNT Board from 2001 to 2019 and on the recent Amalgamation Task Force that saw the merger of BUNT and BCSA.

Mal was a pioneer of Baptist Care NT and Foundation Chair for the first five years. During his ministry he has conducted 27 funerals and 42 weddings!

Most importantly, said one speaker, 'he has modelled Jesus to us as a church and community'.

To cap off this memorable occasion, Mal was ordained as a minister of the Baptist Churches of NT by Director of Ministries, Rev Mike Mills who had the final words in his prayer for Mal and Ellen.

"May God bless you in the next chapter of your life....Lord give them youthful energy as they embark on the next stage.

Let us live the truth

Let us be the truth

Let us speak the truth in Love."

The service of ordination ended with the singing of 'Jesus at the Centre of it All'.

The Many Hats of Dot Meakins

Dot Meakins has worn many hats in her quarter of a century at Darwin Baptist Church.

Dot and husband, Greg were thanked and farewelled in a meaningful celebration last November on the same afternoon as Pastor Mal Sercombe was also acknowledged.

For 25 years Dot has served as Worship Leader using her God-given talents of music , both vocal and keyboard, to lead the musicians and singers, often in innovative paths. Her musicianship has also been appreciated in her leading of worship at the NT Baptist Women's Conferences in past years.

Dot and Greg

Dot's faithfulness and wisdom as an Elder at DBC for 23 years has been valued. To top it all off, she has also served as the reliable and cheerful DBC Office Administrator for 14 years. In recognising Dot's long and devoted service in so many areas of the life of the Church, Pastor Toni Rehrmann noted that Dot has the Gift of Wisdom.

Greg Meakins was thanked also and his growth in the Lord acknowledged. His baptism at Riyala some years ago was a standout memory for Toni. His support of Dot in her many roles over their years at DBC has been marvellous.

The Church Family prays God's blessings on Dot and Greg in the next phase of their life.

Andrea Adams

Lajamanu Team visit Hobart with Channels of Hope

Channels of Hope is a World Vision program that creates a safe space for faith leaders and their communities to respond to core health-related issues affecting their communities.

In November last year a team from the Northern Territory travelled to Hobart to attend and present at the Channels of Hope **STOP Domestic Violence Conference**, where they spent three days learning from and sharing with kardiya and yapa ways to stop family violence.

Coming from Lajamanu were **Lynette Tasman, Mary Lewis, Dalveon Donnelly, Patsy Herbert and Gerald Watson. Amanda Merrett** from Alice Springs, the Project Manager for Channels of Hope for Gender, accompanied them.

Information provided by Lynette Tasman and Amanda Merrett

Amanda and Lynette co-presented at a workshop at the conference. They spoke about how Warlpiri culture and faith can be used to address harmful attitudes and norms that perpetuate family violence. They showed photos of the different activities they have undertaken on community, and talked about going out on Country to have strong conversations.

They met lots of other people including some from Nyirrpi and Willowra who are also working on family violence – **“this was really good for us – it reminded us that we are not alone.”**

They also had some time to go sight-seeing and braved the cold winds on top of Mount Wellington.

Please pray for all those who are actively seeking to bring God’s Peace to family relationships in communities.

Loving their Community at Cornerstone

Cornerstone Play

It has been a blessing over the past year to attend the wonderful Mainly Music sessions at Cornerstone Christian Fellowship, run by Sarah Fuller and team. It began as an outreach to families in Palmerston and Howard Springs and saw a number of parents with young children attending.

As we look to 2024 we are excited about the opportunity to continue connecting with our community and providing a meeting place for families to gather and be together.

Whilst Mainly Music sessions will not be continuing this year, we will be running a playgroup called 'Cornerstone Play'. Whilst our hope is to be a great place for children to learn, develop and make friends, our focus is also on connecting and supporting families, especially mums in our community. Many have partners that work away for periods of time and are often doing the work of parenting and running a household alone. Our heart is to encourage and support them in their day to day. We want to be an example of Christ in how we love and embrace our community and this is one way we can practically be His hands and feet.

Ashlee Zajc

BELONGING PEOPLE ONLINE

This issue of Belonging People, as well as past issues, can be found on the BUNT website. www.ntbaptist.org.au/belonging-people/

Cornerstone Food for Life

Food for Life continues to be a thriving Ministry and service in our community. We are seeing and supporting over 30 customers each week. Food for Life is a busy and sociable place for many to come and gather with friends, whilst doing their shopping at the same time. When you walk through the room you can see and hear connections and friendships being formed. The team have, and continue to work hard at building relationships with customers, and have been able to pray and support many through challenging seasons of life.

Danny and Beth Hunt Head back to Yuendumu

Danny and Beth Hunt serve with Baptist Mission Australia in the remote southern communities of the NT for part of each year. Having been home for the summer they are gearing up to return to the NT in March.

There have been lots of phone calls from leaders and others in remote communities,

Some of the Yuendumu church leaders have lately been coping better.

A new Genesis teaching series has started in Yuendumu

Several new Kardiya workers have begun employment in Yuendumu.

The Hunts have many speaking opportunities coming up to share about their work in the NT.

PLEASE PRAY

PRAY for deepening relationships and impact to bear fruit that will last.

PRAY for someone full or part-time to join us in the remote southern communities.

PRAY for safe travel on the outback roads.

**Kalkarindji
News with Mat
and Shannon
Anderson and
Family**

We have been working through the book of Philippians at Kalkarindji Baptist Church and we have been reminded and encouraged that this good news of Christ's coming to Earth to be with us, and to save us, is the news we need to live and breathe and share!

The ladies Bible study meets on Wednesdays and we have really enjoyed slowly going over the beginnings of this wonderful letter. *(See p24 for photo)*

I (Shannon), have had the great joy and privilege of embarking on my journey into chaplaincy. It has been a great delight to get to know children in this community and to share with them the meaning and hope I have in my life. I get to hear their struggles and offer them comfort and to see their achievements and encourage them. We have also been able to enjoy God's creation as the rains

slowly return and the dry brown country springs into green life. We also had the joy of rest and holidays, and time with my parents visiting Australia for the first time in five years.

Shannon Anderson

Please PRAY for strength and resilience for those facing grief and loss.
PRAY for the young people and their families to make wise choices.
PRAY for safe travels as road travel is one of the most dangerous parts of remote living.
PRAISE GOD that the church bus is back on the road enabling people to attend funerals and provide transport between communities.
PRAISE GOD for repairs to Dagaragu Church enabling singalongs to return to the community.

May is coming up quickly and the May Mission Month theme this year is Mending!

We live in a broken, troubled world with challenges all around us, whether across the street, the nation or the world. God graciously allows us to join him in offering healing and shalom to our neighbours and to creation.

No matter where we are, or what our situation, we can join God in mending his beautiful, broken world. We don't bring healing in our strength—we are invited to be co-menders with God in Jesus Christ, our Healer and Savior.

Being a co-mender means sharing God's love and Gospel in compassionate, authentic, and relevant ways. It means partnering together with each other and God, being willing to allow God to use us according to the gifts he has given to us – sending and being sent, giving and receiving, serving together as partners in God's mission.

On the Baptist Mission Australia website, (<https://www.baptistmissionaustralia.org/Be-Involved/May-Mission-Month>) you will find a wealth of resources to use in your church, youth group and home groups.

As co-menders in God's family I encourage you to join with Baptist Mission Australia throughout May and beyond, as we pray and find ways to co-mend creatively and distinctively in our communities and with those serving around the world. Let's partner together as God guides his people forward to his opportunities of service.

Lisa Cornish
State Director SA/NT
Baptist Missions Australia

**WELCOME TO
ALL
NT BAPTIST
CHURCHES
FROM
OUR DIRECTOR
OF
MINISTRIES**

As we start 2024, it is a privilege to formally welcome you as member churches of the newly named Baptist Churches SA & NT (or BCSANT)! We are now officially one association, with around 88 member churches from Darwin all the way down to Mt Gambier.

As we look forward to working together in new ways, I want to acknowledge and give thanks for the work that has been done in making this new entity a reality. In particular, Neil Wright, Mal Good, Mal Sercombe and Mike Mills have formed part of the joint taskforce working on making this happen over the last two years with energy, commitment, and humility.

I have the privilege of leading the BCSA Support team, who seek to support and encourage our churches in various ways. We are keen to support you and your church however we can and look forward to journeying with you. We know it will take some time to get to know us all, but I encourage you to please reach out with any questions or suggestions at any time.

I also want to thank and acknowledge Andrea Adams for all the work she does as editor of *Belonging People*, bringing stories and information from across the Territory churches together each quarter. We're very pleased she is keen to continue this work! We also look forward to sharing some of your stories across the broader movement as well, to bring encouragement and build new relationships.

My prayer as we embark on this new season together is that the gospel will be demonstrated in all we do, and that as we share in ministry and mission together, we will see the work of God's Spirit overflow from our churches into our communities and across our nation, so that the Kingdom will grow and many will encounter King Jesus.

***Rev. Dr. Melinda Cousins
Director of Ministries
Baptist Churches of SA & NT***

New Growth at Katherine Baptist Church

Welcome to a New Year- 2024!
The wet season is here, and it is great to see all the iridescent shades of green as new growth comes forth from the dry land. This is somewhat reflected in what God is doing here at Katherine Baptist Church as God brings younger couples and families with children to worship with us. It is good to encourage the next generation in their walk, as together we seek to do God's will.

Our Sunday sermons have been focusing on the Book of 1 Timothy.

1 Timothy 1:5 "The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith." (ESV)

This Book presents God's instructions for Church leadership and organisation and we have certainly been challenged by this. Our Wednesday night Bible Study continues to be a time where the sermon's passages are looked at in greater depth. God's roles in the Church have led to much discussion as we seek to let God's Word have complete authority in our lives.

In December 2023, we welcomed Dean Hersey into formal membership of Katherine Baptist Church. It was such an encouragement to see Dean witness to his family and friends of his faith in the Lord Jesus when he was baptised.

A Sunday evening Worship Gathering has commenced 'under the tree' at Corroboree Hostel. We gather together and sing praises and then everyone opens God's Word together. His Word is an encouragement to each one of us. Brothers and sisters from different communities join with us, some only in Katherine for a short time, some have lived in the hostel for years. It is good to listen to their stories as they share the challenges that they face. Many, have major health concerns and day to day life is often a struggle.

As
we

Worship 'Under the Tree' at Corroboree Hostel

A visiting AIM indigenous pastor recently fellowshipped with us from a remote community. He was such an encouragement to us all, as he has continued to faithfully share God's message and it was a privilege for us to worship with him 'under the tree'.

As we move forward into 2024, we pray that Katherine Baptist Church will be committed to doing everything God's way.

Kevin and Christina Young

Christmas at Casuarina

The Community Christmas Lunch

held at Casuarina Baptist Church Hall on December 25, 2023, Led by Pastor Chris Good was a resounding success, bringing together members of our community to celebrate the joyous occasion of Christmas.

Over 80 members of the community, including families, individuals, and volunteers, attended the Christmas lunch. The turnout exceeded our expectations and demonstrated the strong sense of community spirit within our neighbourhood. The Christmas lunch served as a platform for fostering a sense of unity and camaraderie within the community. It provided an opportunity for neighbours to come together, share laughter and stories, and forge new connections.

The event would not have been possible without the support and participation of everyone involved, reflecting the true essence of Christmas – love, generosity, and goodwill towards all

A special mention and heartfelt gratitude were extended to all the volunteers who generously dedicated their time and effort to organize and run the event. Their hard work and commitment were instrumental in making the Christmas lunch a memorable experience for everyone.

Their dedication and spirit of generosity have made a meaningful difference in the lives of our community members. We look forward to continuing this cherished tradition in the years to come.

Kids Biz Christmas Service

held on 10th December at Casuarina Baptist Church was a delightful and uplifting experience, showcasing the talents and contributions of our children within the church community.

Approximately 150 people including children attended the Sunday morning service, demonstrating strong support for the involvement of children in the church's activities.

The service commenced with a warm welcome from the Kids Biz team, followed by an opening prayer led by one of the children, setting the tone for the worship experience. Children from the Kids Biz program showcased their musical talents through performances of uplifting songs bringing joy and inspiration to the congregation.

Several children took turns reading passages from the Bible, accompanied by brief reflections on the significance of the verses and how they relate to everyday life. Their insights demonstrated a deep understanding of Scripture and its relevance to their lives.

The Kids Biz Sunday Morning Service was a meaningful and enriching worship experience that celebrated the Christmas Story. The creativity, and contributions of children within our church community served as a reminder of the importance of nurturing and empowering the next generation of believers, instilling in them a lifelong love for God and His Word.

We extend our sincere appreciation to the children who participated in the service, as well as to the Kids Biz team and volunteers who worked tirelessly to organize and facilitate the event. Their dedication and enthusiasm are a testament to the vibrant spirit of our church community.

Solomon Perumal
Cultural/Pastoral Care Pastor

Ox and Steve on Country

In mid-November, Ox Roberts and Steven Miles from **Nungalinya College** (and Darwin Baps) headed out to Kalkarindji and Lajamanu for a few days to connect with church leaders with the aim of enrolling potential students for classes at Nungalinya College in 2024. Ox and Steve both work at Nungalinya College in the Partnerships and Media/Communication area.

Ox (Jungarrayi) is the nephew of Norm and Karen Roberts (Japaljarri and Nakamarra), who spent 11 years living in Yuendumu, Ali Curung and Willowra, supporting the Warlpiri churches from 2004 to 2014. Steve is also the Youth Worker at Darwin Baptist, and has been building connections with the Andersons through visits with family and youth.

Over the few days, they had opportunities to connect with leaders in both the communities, and participate in Sunday church at Lajamanu and fellowship night at Kalkarindji. They explained to those present about what Nungalinya College is, what they do, and why they do it. As well as explaining about the different courses that are offered.

Having attended Nungalinya in 2023, Kalkarindji church leader George Edwards was also able share from his perspective why people should go to Nungalinya.

There have been 15 new students from both communities sign up to attend Nungalinya next year.

Special thanks to Mat and Shannon Anderson for hosting Ox and Steve so well, and looking after all their needs.

Celebrating Fifty Years Of Child Sponsorship

MORE

*Story by
Amelia Ceroni*

When Kennedy was very young, the reality of poverty was obvious, 'it was clear things were not ok. It was not ok to have one meal a day, it was not ok to go to school with bare feet, and not to have soap' he said. Kennedy was raised by a single mother as one of eight children in difficult conditions. 'It makes you wonder, am I going to be in this situation all my life?'

Over five decades of Child Sponsorship programming, we've heard many stories that begin like Kennedy's. **As Baptist World Aid celebrates the milestone of 50 years of Sponsorship this year, we reflect with gratitude on the many stories that also progress like Kennedy's did.**

When they were most desperate, Kennedy was invited to be part of Baptist World Aid's Child Sponsorship program in Uganda which, at that time, was helping families pay school fees and afford basic needs. And Kennedy also enjoyed being part of a Child Club.

Equipped for learning, Kennedy went on to complete secondary school, a bachelor's degree, a postgraduate and master's degree, and now he's working on a Doctorate of Ministry.

Today, he earns a living that helps support his mother and siblings. Kennedy credits Child Sponsorship with equipping him for success. He now volunteers on our Ugandan Partner's board, 'It's been an honour because when you benefit from a program you ask how can I pay back?' Kennedy said. 'God has blessed me, I need to bless.

What is true of Kennedy's story is true of thousands of children across the countries where we work today. To find out more, or to become a Child Sponsor, visit www.baptistworldaid.org.au

**Rob and Deb
Griffiths
'Thankful'**

We are so grateful that we have been in Australia for most of the second half of 2023, meeting with many of you. We left Australia with full hearts from packing in as many times together with family, friends and supporters as we could.

We are now privileged to be back in Siem Reap, as we are prayerfully transitioning and discerning each opportunity before us. Thanks for prayers for health; the gift of good health can never be underestimated.

Recently we had our drinking water tested as we both had been unwell over a prolonged period. It was confirmed our water was contaminated; so, we had our water supply quickly rectified and it is a relief to know what was causing our disturbed stomachs!

One of our Khmer friends recently had a miscarriage midway through her pregnancy. She is a follower of Jesus, but her family are not. Join us in prayer that this family may encounter God's living Word with eternal hope.

Thankfulness:

For the privilege of sharing everyday life together with our Khmer friends.

For Father's wisdom in the many decisions.

For being able to recently meet most of you in Australia personally.

For the many warm embracing "hello's" in re-establishing connections here.

Uphold in prayer Rours and Reaksmeay, a Khmer couple who are preparing to leave family in Queensland to join our team in July 2024.

Requests:

For good health for us both.

For transitioning into living our lives here as our Father leads.

For wholeness, completeness and well-being among our village community.

For setting up at village level a conversational English club.

There were quite a few changes at Insurance renewal last September. These are two of the more important ones.

As we now “Self Insure” for all property damage, there is a more direct link between making claims and the cost of renewal. If we all do everything we can to avoid claims happening, we can limit the cost of protecting our churches. If you see something that needs fixing, tell your Church leadership about it. It is cheaper to fix a small problem than waiting until it becomes a big problem.

Our insurance for when people get hurt has also changed. *What does that mean?* In the old system, if we heard from you today about a claim over an incident that occurred two years ago, we could lodge the claim against the insurer who held the policy two years ago. In the new system, we can't do that any more.

The insurer will only honour a claim that they are told about in the year while the policy is current. It is really important that we are told about it as soon as anyone knows that there might be claim in the future.

A notification will not necessarily turn into a claim. That's OK. I would rather register 100 notifications that go nowhere, than have to tell one church we can't help because the insurer was not notified in time.

Please, if *anything* happens that *might* turn into a claim, make sure your Church leadership know about it so they can fill out an Incident Report as a permanent record and TELL US about it RIGHT AWAY.

Missions Interlink Training

Throughout the history of Missions Interlink in the NT, **Darwin Baptist** has been a key encourager of this network, by hosting Missions Interlink gatherings and the beginning of our Aboriginal focused training with the 'Language Awareness Day' in 2016 and 2017. **Casuarina Baptist** also hosted a MI mission expo in the early years.

Transition Training for Remote Indigenous Ministries (T-TRIM) first unit called 'Living with Aboriginal Australians' was recently run twice in January. (See photo).

The next part of the course, is in the first week of October. Search online 'T-TRIM Missions Interlink' with registration coming soon.

It was great to offer the 'Missions Trips Training' course to Darwin Baptist youth leaders going on a mission trip to community last year. Also last year, an Alice Springs Baptist participant flew up for the 'Living in Two Worlds' unit and we also also enjoyed having **Beth and Danny Hunt**, serving with BMA, travel up to join us for the whole course.

For those at **Alice Springs Baptist** you can contact **Ming Fang Strickland** as she is our Central Australia representative for Missions Interlink.

We are also excited to welcome **Brad Chesson** with 'Prepare the Way' ministries who attends **Cross Roads Baptist Church**. We are excited for Brad's role, as there is no mission sending agency based in the NT, so he is representing a variety of missions. He is available to help mentor people interested in serving in missions. You can contact him on bradpreparethway@gmail.com or 0437590925

Mission Gatherings you are invited to:
- **Top End Global** (23rd March) - run by CMS.

Katherine Christian Convention 2024 (May 3-5) Includes a MI prayer and fellowship gathering.

- **MI's Transition Training for Remote Indigenous Ministries** in the first week of October.

For those in Darwin involved in Indigenous ministry - we run a Friday evening gathering each month starting with dinner.

Rachel Borneman

Contact Rachel on nt@missionsinterlink.org.au for more details.

Graduation of 'Transition Training Remote Indigenous Ministries (T-TRIM)' course January 2024 with training held at Nungalinya College. Participants and facilitators from Elcho Island, Nhulunbuy, Cairns and Darwin.

Middle East Crisis Appeal Update

Around 1.9 million people in Gaza—80 per cent of the population—have been displaced since the war started three months ago, when Hamas launched a terrorist attack on innocent civilians in Israel. . Heavy bombardment of Gaza by Israeli forces in response, has already led to the deaths of more than 28,000 people.

Please join us in lament and in praying for protection and relief for families in the Middle East. If you'd like to help our Partners provide essential medical supplies, you can do so through Baptist World Aid. Call 1300 789 991

In partnership with a highly trusted, Christian Partner who has spent decades serving in this region, we are responding where the need is greatest within Gaza and the West Bank. We're also supporting the work of our Christian Partners in the wider region caring for displaced people in search of safety.

Kalkarindji Ladies Bible Study Group

The Ladies at Kalkarindji meet for Bible Study on Wednesdays and have been reading and talking about the book of Philippians.
