# BELONGING PEOPLE

*Darwin Baptist Team Visit Cambodia  
Pages 4&5*

## ***Greetings from the DOM!***

**I**t is an incredible privilege to serve our movement as Director of Ministries as we follow Jesus together. This is my sixth year in the role in SA, and third year with our merged movement in the Territory. God is at work across our movement in all kinds of ways, bringing people to saving faith in Jesus, growing us in His image, calling us to step out in His mission in new ways, and drawing us together as communities.

I love the opportunity Belonging People brings to read just some of these kinds of stories across the NT. We are so grateful to Andrea Adams for her faithful stewardship of this publication. I'd also love to chat with you or your church any time and hear more!

Our BCSANT Support Team based in Adelaide prays for all of our churches each week. In our new office space, we have a large map of SA and NT in our prayer room so we can visualise the location of each church. In 2026, the team has decided to also focus on one specific church each day in prayer.

Look out for an email from Jenny throughout the year asking how we can best be praying for you, or please reach out and let us know if you have any particular requests.

If you have people in your church who are exploring theological education, we'd love to connect with and support them if we can. BCSANT now has various partnerships with Tabor, Morling, Whitley, and Bible College SA which can include various levels of study, online or in person.

**And we are absolutely delighted to be joining with our national movement, Australian Baptist Ministries, in a formal partnership with Nungalinga College for the first time in 2026, providing financial support specifically for indigenous teachers. We pray this will increase the opportunities for leaders from our remote Baptist churches to study at Nungalinga.**

I am really looking forward to being in Darwin in May for our Indigenous Leaders Gathering, 20<sup>th</sup>-22<sup>nd</sup>, Baptist Family Gathering, 22<sup>nd</sup>-23<sup>rd</sup> and Assembly, 23<sup>rd</sup>. I hope to see many of you then for some great times of fellowship, shared learning, and continued storytelling.

*Blessings,  
Melinda*

# *A Word In Season.....*

## ***Keeping our eyes FORWARD and UPWARD***

**L**ife can get very tough! Some of my friends now tell me they have stopped watching the news because it is all too overwhelming. For so many of our Indigenous brothers and sisters it has been more than tough for a very long time. How can we cope?

I have been reading through the book of Isaiah lately. Chapter after chapter makes it clear that God is still in charge. So much may seem out of control, or tragically getting worse, but the unchanging God isn't going anywhere. He is still here, right here, right now, with us, for us, behind us, ahead of us, sovereign, almighty, ready. We don't have all the answers but God does. He will make a way where there seems to be no way. Isaiah 12:2 says, 'Surely God is my salvation; I will trust and not be afraid.' Isaiah 30:18 says, 'Blessed are all who wait for Him.'

The evil one seeks to distract, deceive and discourage us. How we need to guard our focus. How we need to keep our eyes forward and upward to our God. How we need to keep our ears open to His Spirit's voice.

Why is the church growing so fast in Iran where it is so persecuted? I am humbled by the resilience of the Ukrainians in their suffering. I am inspired by the prayerfulness and perseverance of my Indigenous and non-Indigenous friends dealing with tough stuff.

I love the quote on the wall at the Adelaide airport. *'When everything seems to be going against you, remember that the airplane takes off against the wind, not with it.'*

Let us keep kneeling, sitting, standing, walking together, alongside each other, every day, everywhere.

## Seeing God at Work in Cambodia with the DBC Team

For 2 weeks in January, a small team of 9 people from **Darwin Baptist** had the privilege of travelling to Cambodia, and ministering alongside Rob and Deb Griffith and other members of the Baptist Mission Australia (BMA) team — not so much as a traditional “mission trip” defined by tasks and projects, but as an experience of coming alongside people and witnessing what God is already doing.

From the outset, the aim was relational. Rather than arriving with answers or agendas, the team sought to listen, learn language and culture, and build genuine connections with local believers and communities. This posture echoed Paul’s approach in Acts 17—observing the culture, recognising where God was already at work, and gently pointing people to Jesus with humility and respect.

It was deeply encouraging to see how BMA lives this out daily, walking alongside people and speaking the hope of Christ into their context.

This approach was just as encouraging for the team from Darwin as it was for those on the ground. In moments of weakness, cultural unfamiliarity, and uncertainty, God’s promise in 2 Corinthians 12:9 rang true: *“My grace is sufficient for you, for my power is made perfect in weakness.”*

The team experienced firsthand that God does not wait for perfect people—He works powerfully through willing hearts.

Despite Cambodia’s painful history, including the lasting scars of the Khmer Rouge, the light of Christ continues to shine.

God is at work in Cambodia—patiently, relationally, and powerfully—through BMA and His people. May this be an encouragement to churches here, as together we pray, support, and rejoice in what God is doing for His Kingdom, near and far.

Stories were shared of individuals coming to faith, being discipled, and seeing whole families transformed—powerful reminders that darkness does not overcome the light (John 1:5).

Special thanks to Rob and Deb, their team in Cambodia, and also to Nathan Reid and Lisa Cornish (BMA in Australia) for their assistance in getting the team prepared prior to them travelling

The encouragement flowed both ways. The presence of believers from Australia affirmed and strengthened local leaders, while the faith, humility, and perseverance of the BMA team and the Cambodian church deeply impacted the visiting team.

## Leading at Lajamanu Church

*Lynette Tasman, Mary Lewis and Annette Patrick lead worship.*

**L**ynette Tasman is a Warlpiri woman and has been a leader at **Lajamanu Baptist Church** for many years. She is active in leading community Bible studies, ceremonies, and prayer gatherings. Balancing family and cultural responsibilities, Lynette leads with humility and quiet grace.

In late 2025, Lynette was commissioned as a **part-time member** of the Baptist Mission Australia Outback Team to help the team be more culturally-informed.

Lynette regularly leads Sunday praise and worship at Lajamanu church with Annette and others.

In 2024, she commenced a **Certificate 2 in Ministry and Theology** at Nungalinya College in Darwin to further her pastoral skills.

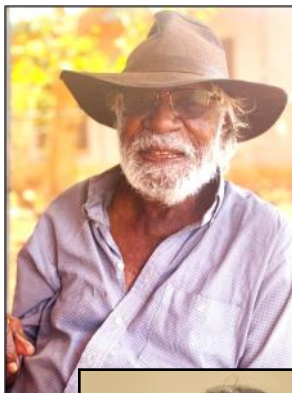

A number of men and women from the Lajamanu church, including Lynette, are also involved in broader social initiatives with **Channels of Hope\***, using culture and faith to address domestic violence. A weekly Women's Bible Study using Channels of Hope material is also led by Lynette and other women.

**PLEASE PRAY:**

*For Lynette and all the leaders at Lajamanu Church*

*For Warlpiri elder and Pastor: Jerry Jangala*

*For the Lajamanu community especially the young people and children.*

*\*Channels of Hope Gender is a World Vision faith-based program designed to transform harmful gender norms, reduce gender-based violence, and promote equality by engaging faith leaders and communities.*

# *Children are a Blessing from God*

## *Katherine Baptist Church*

**B**ack in 2022, there were very few children attending **Katherine Baptist Church**. Now our prayers for families to come have been answered. It is a joy to hear the children's voices in our Worship Services. We are also awaiting the arrival of at least 2 babies this year. God is so good!

Jesus has always had a special place in His heart for children. At that time the disciples came to Jesus, saying, *"Who is the greatest in the kingdom of heaven?"* And calling to him a child, he put him in the midst of them and said, *"Truly, I say to you, unless you turn and become like children, you will never enter the kingdom of heaven. Whoever humbles himself like this child is the greatest in the kingdom of heaven. (Matthew 18:1-4)*

The focus here is humility. Rather than being the greatest, Jesus is commanding us to be humble, taking on the status of a little child.

When Jesus was teaching, some mothers tried to bring their children to Him to bless them.

Jesus' disciples tried to stop them from getting close to Jesus. When Jesus saw what was happening, He said:

*"Let the children come to me, and do not hinder them, for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it. (Luke 18:16-17)*

Jesus is commanding us to receive the kingdom of God as a little child does.

Katherine Baptist Church had the privilege of organising the Mataranka Christmas Carols Service last year. One of the highlights of the night was the performance of the Turner family. The two older Turner children, Theo and Charlotte, joined with their parents in singing two songs: *Away in a Manger* and *Jesus, Strong and Kind*. It was a joy to see these children praising God.

Jesus acknowledged the praises of children. *‘But when the chief priests and the scribes saw the wonderful things that he did, and the children crying out in the temple, “Hosanna to the Son of David!” they were indignant, and they said to him, “Do you hear what these are saying? ” And Jesus said to them, “Yes; have you never read, ‘Out of the mouth of infants and nursing babies you have prepared praise’?” (Matthew 21:15-16)*

Children are certainly a blessing from God, and we can learn much from their example.

## A Joyful Celebration of Faith at Darwin Baptist Church

**S**unday, 25 January was a wonderful and joy-filled moment in the life of Darwin Baptist Church, as five people chose to be baptised—publicly declaring their faith in Jesus. It was truly exciting to witness Jeanne, Madeline, Tiarni, CJ and Tony take this significant step, each sharing their desire to be *fair dinkum* about living their lives for Christ.

What made the moment even more special was the diversity represented. Those baptised ranged in age from 18 years old through to mid-80s, and was a powerful reminder that God is at work in every season of life.

Each person's story was different, yet all shared the same heartbeat: a commitment to follow Jesus wholeheartedly.

Baptism is a visible sign of an inward change, and on this Sunday, the church was encouraged and strengthened as we celebrated God's grace at work among us. What a privilege to rejoice together in five lives declaring, "I belong to Jesus."

## Giving thanks for Verl Jordan

In November 2025, we learned of the passing of a dear Territory friend and missionary, Verl Jordan, wife of Rev. Ivan Jordan. Growing up in Yolla, Tasmania, Verl trained as a teacher before studying at Bible College.

Following their marriage and a pastorate in NSW, Ivan and Verl followed the call to serve with the Australian Baptist Missionary Society, at Lajamanu, on the edge of the Tanami Desert, with the Warlpiri people.

With five year old twins, Geoff and John, and nine week old baby, Joy, the family moved for what was meant to be two years.....but ended up being thirty one! Working with the community, they encouraged an indigenous approach to church organisation and leadership. As well as family responsibilities, Verl

worked with the local Warlpiri women, teaching literacy and leadership. She was also the agent for Connair, the airline that serviced remote communities, and was the local Bank agent for 14 years. When the children eventually went to boarding School in Bendigo for their secondary education, Verl wrote to each one faithfully each week as well as making a weekly phone call.

Following several years ministering in Victoria, 1989 saw Verl and Ivan back in the NT, this time at Yuendumu. Verl built close relationships with Warlpiri women and non- indigenous women and was especially loved by the older Warlpiri women.

Ivan and Verl were regulars at the annual NT Baptist Assemblies, travelling the long distance to whichever town or community these were held and sharing their wisdom and insights.

# **Cornerstone Sharing God's Message of Life**

## **Our Purpose**

2026 has arrived and we are off to a great start to the year! Our purpose remains the same, **"To Share Gods message of life wherever we are"**.

As we gather together on Sunday, meet at Connect groups and walk out our day to day together, we are seeing God move in connection and fellowship, but ultimately move in the hearts of our congregation.

## **Discipling Families**

Over the last few months we have seen an increase of young families new to faith start attending. With this, the excitement of young children and new faith has sparked a need and interest to schedule water baptisms, revisit new believers courses and hold membership info sessions. We are excited to see Gods Kingdom growing. Discipleship is our focus for these young families.

## **Children's Ministry**

Our Children's Ministry has been a constant place of love and nurturing for many years. Judith O'Hearn has recently stepped down from leading this ministry, with Sarah Fuller taking up the position as coordinator. We thank Judith for her years of service and commitment to growing our kids at Cornerstone. We are excited to see Sarah step into this role and welcome her with anticipation.

## **Women's High Tea**

In February our team held a High Tea for the ladies in our congregation. The afternoon was jam packed, full of delicious food, testimonies, fellowship and a whole lot of fun! Some highlights included finding our new sister in Christ for the year and having a good laugh while attempting to line dance together!! The afternoon was memorable and an absolute blessing. We look forward to seeing how these events will continue and grow throughout the year. Thanks to Jeanette and Tania for taking time to be intentional in loving our women at Cornerstone!

## ***Geoff Rowse—Encourager and Friend***

**A** true supporter of Territory Baptist and remote pastors passed into the presence of his Lord and Saviour in September 2025.

**Geoff Rowse** came from a country upbringing and identified with pastors in remote areas. He was ordained in 1974 and pastored in Baptist churches in Victoria for over 45 years.

***Geoff and Jenny Rowse***

While working with the Baptist Union of Victoria as an adviser to churches, in about 1995, Geoff offered to support the Remote Baptist churches and be involved in the planning and running of the regular retreats. He enjoyed connecting with these pastors and church leaders and attended a number of conferences in several states, over the next few years.

In the NT, we remember Geoff's encouraging visits with his wife Jenny, to three Remote Area Conferences held at Batchelor in the 90s and early 2000s.

During his 50 years of ministry, Geoff enjoyed caring for his fellow pastors and even in his retirement was part of the pastoral care group in Victoria, caring for retired pastors up until his illness last year.

Geoff had a great love for missions and developed a missionary interest in each of his congregations as well as taking several teams to Thailand and Cambodia.

He was active in the church life at North Balwyn (Vic) up until May last year when he preached his last sermon on Partners in Mission for May Mission Month. Geoff passed away in September after a short illness at the age of 81 years.

We give thanks to God for Geoff's faithful and fruitful ministry, and for the many lives that were touched by his gentle and encouraging presence. Please keep his wife, Jenny, and their family in your prayers.

## Introducing Gregg & Helen

**H**elen and Gregg Bisset will be serving with Baptist Mission Australia – Outback Team in the Northern Territory, primarily engaging with the communities of **Murray Downs and Ali Curung**. They intend to collaborate closely with these communities, working alongside to support Indigenous leaders and other team members.

Helen brings experience in aged care and demonstrates a strong interest to engage with children and young mothers. Gregg is eager to gain deeper insight into local culture and community dynamics, with a focus on supporting the growth and strengthening of God's kingdom in this context by coming alongside community leaders. They are committed to sharing their experiences with the broader Australian community to enhance understanding and unity, both within Christian circles and more broadly.

Gregg has extensive experience as a volunteer chaplain in correctional facilities, in addition to his work as a project manager in agribusiness across Australia, including rural and remote areas.

Recently retired, they believe the time is now right to serve in this area. Married for 45 years, Helen and Gregg have four children and thirteen grandchildren. They excel in building relationships and fostering connections in regional settings, motivated by their dedication to sharing the love of Jesus. They are also committed to learning from others and promoting reconciliation through understanding at both local and national levels, aiming to share the peace and joy that comes from faith in Jesus Christ.

***Please pray for Gregg and Helen as they embark on this new journey of serving Jesus in outback NT and walking alongside indigenous leaders and communities.***

## Danny & Beth Return to the NT in March

**W**e are gearing up for our return to the Northern Territory in March. At the same time there has been lots happening for our Indigenous friends in the remote communities and our Outback Team, which keeps us connected.

Gregg and Helen Bisset from SA have now officially joined the Outback Team, with a focus on Ali Curung and nearby Imangara (Murray Downs). This will lighten our load and leaves us to concentrate primarily on Yuendumu and Willowra.

Lynette Tasman, an esteemed Warlpiri leader from Lajamanu, has also just joined our team as a cultural advisor. We have appreciated her wisdom and experience for a long time.

Our team leader Mat Anderson and his family are now based in Darwin.

This year it is Willowra's turn to host the very significant combined Easter celebrations.

It involves important reconnecting and extended worship times from Friday night to Sunday afternoon, lots of

individual musical items and sharing, and often an intensely moving purlapa (corroboree) telling the Easter story, a huge open community BBQ, sleeping under the stars on Saturday night to rise at dawn on Easter Day, teaching, child dedications and baptisms.

- \* PRAY for Beth as she takes steps to start Religious Education at the Yuendumu school.
- \* PRAY for the Willowra believers facilitating Easter celebrations, and its wider witness.

## Baby Blessings at Casuarina

It's been a while since Casuarina Baptist Church has seen so many new babies born to our families. What a delight to welcome not one, but THREE precious newborns to our Church Family between November '25 and January '26.

*Above:* Kirk and Susannah and big brother, Micah, were blessed with baby Simon in November.

*Right:* In December, Keona Ivy Lin was born to Kee Doh and Iney. Thanks be to God.

**Priscilla and Julian

in January.**

#### **A PRAYER**

"Lord, thank you for the blessing of these new lives. We pray that You place a shield of protection around them and guide them as they grow. Please grant the new parents wisdom, patience, and strength during these early, tiring days. Fill their home with peace, joy, and love as they adjust to their new life together. May these families feel Your presence and be blessed with health and happiness. Amen."

#### **Infant Dedication**

**Little Bernice Anna was dedicated to the Lord by Pastor Mal in February. (below)**  
**Bernice was born in June 2025. Mangala and Sylvie are her proud parents and Vam, Kenny and Liam are her loving brothers**

## Missions Interlink Off to A Good Start

**So much has been happening for Missions Interlink this year already.**

The MI Transition Training for Remote Indigenous Ministries (T-TRIM) course was held at Nungalinga College for a week in January with about 20 attending.

It was great to have participants from several different denominations, along with non-denominational missions.

The second half of the course will be run at the end of September.

*One participant said: 'T-TRIM has been really helpful to consolidate and delve into various aspects of Indigenous culture. The breadth and depth of the facilitators' experience is extraordinary and hearing so many first hand stories and examples and working through scenarios has been very helpful.'*

### ***'Remembering Verl Jordan' continued***

On Australia Day 2011, Verl and Ivan were honoured with the Order of Australia for service to the indigenous community of the NT and to ABMS.

After moving to Penguin, Tasmania, in 2019, Verl suffered a stroke from which she never fully recovered. She passed away with Ivan faithfully by her side, on November 20th 2025.

**Verl Jordan lived a full life.  
A life of faith, of prayer, of love and care, and of service.**

Verl is missed and remembered by many in the NT.  
Our prayerful condolences go to Ivan and all Verl's family.

It is unfortunately true that for a lot of the modern Church's history we have been less than great at dealing with those who seek to use the Church's good name to facilitate their own access to vulnerable people for unholy purposes.

These things have changed, and while we are still occasionally faced with the consequences of failure to keep people safe in the past – it is up to all of us to ensure these failings do not persist into the future.

Baptist Churches in the NT (and SA) have long been well served by "Child Protection Solutions – Australia" an organisation who have provided both training to prevent, and wisdom to deal with these issues. In recognition of this *best practice*, a Child Protection Solutions introductory level Offender Awareness presentation is now being made available by BIS to Baptist Churches all around Australia through the Member Portal on our website.

This presentation is not a replacement for state and territory based mandatory reporting training. Rather, it introduces the different types of offenders and how they think, operate, target and groom.

This presentation is valuable for Churches, Organisations, Parents and Grand-Parents as it provides insights and awareness designed to as far as possible keep our churches and children safe. Please consider making yourself aware.

Your Church office should have the login credentials for the Member Portal, where you can view this 30 minute video in the "Presentations" section. Please contact me directly if you can't find the login details.

## *What's love look like?*

**W**e love because God first loved us (1 John 4:19). But what does that look like, how do we live that out as people who long to show God's love to the people around us?

Join with Baptist Mission Australia in 2026 as we ask the question, "What's love look like?" During May Mission Month (or whenever you choose to celebrate and focus on mission in your church) we will look at this question through four themes:

**Living as Imitators** (1 John 4:11-12,16; Philippians 2:1-11)

As followers of Jesus, we are called to imitate God's loving heart. We are called to imitate the loving ways of Jesus.

**Living as Beautifiers** (Psalm 19:1-6; Acts 2:42-47; John 5:1-20)

We're invited to live as beautifiers – modelling the beauty of God's love every day, in every place.

**Living as Inbetweeners** (Luke 4:14-21; Revelation 21:5)

We live as in-betweeners challenging brokenness and injustice, recognising God's love as robust and active, engaging in the messiness of the world, joining in God's loving, restorative vision.

**Living as Collaborators** (1 John 4:11-12, Matthew 4:18-22, Acts 2: 42-27, 1 Corinthians 12 – 13) We're invited to partner with God and others in bringing God's love to life in local communities across the street and around the world.

Check our website for resources to bless the whole church family: <https://baptistmissionaustralia.org/resource/may-mission-month/whats-love-look-like/>

At the heart of mission is God's love. A God who loves all people – everyday in every place! We are invited to bring this love to life, across the street and around the world, partnering with others to bring God's love to life every day in every place - in our local communities and across the world. We're invited to collaborate with others – like Baptist Mission Australia – as we ensure people across the world can experience God's transforming love by word and deed.
